CUSTODIAL FEES: \$32/hour	When applicable, custodial fees are assessed from the time a building is opened for the group until the completion of the cleaning of all areas used by the group following their departure.		

The charges listed are for room rental only - personnel costs are not included in this chart. All personnel costs incurred by the school as a result of the building/facility rental will be reimbursed by the renting party. The renting party will be responsible for any additional charges, such as staying later than scheduled, causing excessive cleanup costs, damages that need to be repaired, etc.

Rental fees are subject to change during the year with the exception of groups that have a contract in place.
